

CLEAN, QUIET & GREEN

Noise and HVAC solutions that are good for business. And good for the environment.

Ketchum & Walton, Co. supplies noise control and HVAC solutions.

We work with you to provide engineered solutions that:

- Increase efficiencies and performance
- Extend product life
- Lower operating costs

Noise Control

Kinetics Noise Control

www.kineticsnoise.com

Vibration isolators, hangers, seismic isolation, floating floors, sound attenuators, curtains, panels, enclosures, wall panels, baffles.

AVL Systems, Inc.

www.avlonline.com

Diffusion and absorption systems.

Noise Barriers, LLC

www.noisebarriers.com

Sound control doors, windows, enclosures, barriers and absorption systems.

HVAC/Vibration

Kinetics Noise Control

www.kineticsnoise.com

Vibration isolation and seismic restraint.

Manufacturers of vibration control systems, seismic restraints, professional engineering certifications, acoustical wall, ceiling and floor systems, building isolation systems, flexible pipe connectors.

Engineered Flexible Products

www.engineeredflex.com

Expansion joints and flexible connectors including teflon hose, rubber expansion joints, metal expansion joints, teflon expansion joints, E-flex, compensators, metal hose, seismic "V" loops, pipe guides, flue ducts.
